## I. Philosophy/Objectives

The James Madison Preparatory School's belief is that extracurricular activities are an important part of a robust, traditional education. Studies have shown that students who participate in such endeavors tend to perform better in the classroom. The spirit of competition and the ability to work as part of a team are crucial skills for life in the real world. Extracurricular activities also provide an opportunity for the students to use the Code of Conduct as a guide for their behavior. J.M.P.S.'s goals for these programs are as follows:

1. To demonstrate the Code of Conduct to opponents, referees, fans, teammates, and self.
2. For each team/group to perform to the best of its ability. The goal is to win every competition, and excel in non-competitive activities. Anything worth doing is worth doing well.
3. To learn what it means to be part of a team, to be committed to the team, and to support the team in every way. Every James Madison student will be invited and encouraged to take part.
4. To teach skills (physical and mental) which cannot be taught in the classroom. Participants will learn to play or perform the right way, with emphasis on the fundamentals.
5. To give the students a taste of the history of the activity in which they are taking part, and for each coach/sponsor to pass on his/her love of each activity.

## II. Duties/Authority

A. The Athletic Director will oversee all athletic activities. The activities that are planned on being offered at JMPS for 2010-2011 are:

Girls:	Boys:	Co-ed:
Volleyball	Football	Fencing
Cross Country	Cross Country	Cheerleading
Basketball	Basketball	Soccer
Track and Field	Track and Field	Ultimate Frisbee
Softball	Baseball	

B. The Athletic Director will be responsible for all scheduling, and distributing and collecting uniforms. Coaches will be responsible for the day-to-day activities of their teams, practice schedules, and maintaining equipment, as well as arranging transportation. They will be supervised by the Athletic Director, who will be supervised by the Principal. **Concerns and/or complaints about a sport should first be addressed to the Head Coach. The next step, if necessary, is to submit a formal complaint in writing to the Athletic Director, using a form which may be obtained in the front office. Concerns/complaints about the Athletic Director should similarly be submitted in writing to the Principal.**

C. The Principal will oversee all non-athletic activities. In 2009-10, James Madison Prep offered drama and drum line. Other activities may be added at any time.

D. The Principal will be responsible for scheduling all non-athletic events. Sponsors will be responsible for day-to-day activities, distribution of equipment, and arranging transportation. They will be supervised by the Principal. **Concerns and/or complaints should first be addressed to the Sponsor. The next step, if necessary, is to submit a formal complaint in writing to the Principal, using the form obtained in the office.**

## III. Eligibility

A. All participants in extracurricular activities must be students currently enrolled at James Madison Prep, or may be home school students as allowed by law.

B. **All participants must maintain a 63% (D) or higher in all classes on each grade check, progress report, or report card.** Any grade of a D- or F will result in suspension from all team games

and performances until the next grade check. Students may still be able to practice with the team with the coach's/sponsor's approval.

C. All participants in athletic activities must be under the age of nineteen as of September 1 of the year in which they wish to participate.

D. All participants in athletic activities must have on file at James Madison Prep a record of a physical examination performed by a doctor, nurse practitioner, or certified physician's assistant. The physical examination for the 2010-11 school year must be given after March 1, 2010, and is valid for one year. No student will be allowed to participate in practices or games until this form has been given to the Athletic Director.

E. All participants must be present at school from 11 a.m. to closing in order to take part in an extracurricular activity, and be present on Friday to participate in weekend activities. Missing a portion of the day (for a doctor's appointment, etc.) is acceptable. Any student who leaves school early due to illness will not participate in extracurricular activities that day, or that weekend if the day is a Friday.

F. All participants must pay a fee as described in Section XI of this handbook.

G. All participants and a parent/legal guardian of each participant must sign a consent form and a letter of understanding (enclosed in this handbook). No student will be allowed to participate until these forms have been submitted to the Athletic Director or Principal as appropriate.

H. Participation in all extracurricular activities is at the discretion of the Athletic Director for sports and the Principal for fine arts.

#### IV. Conduct of Participants

A. Participants will live by the Code of Conduct. Failure to do so will be punishable by disciplinary action. They are representing James Madison Prep, and should serve as an example for others.

- a. Any student who is on Step 2 from the James Madison Family Handbook (please see handbook for explanation) and participating in extracurricular activities will NOT be allowed to travel with the team or club for away games or other field trips, and will NOT be allowed to participate in these events.
- b. Any student on Step 3 from the James Madison Family Handbook (please see handbook for explanation) will NOT be allowed to participate in any extracurricular activities for the school year.

B. Participants and their parents should understand that a certain level of commitment is required for participation in extracurricular activities at James Madison Prep. All participants are expected to attend all practices, games/performances, and any other team function as designated by the Coach/Sponsor. Exceptions will be made for illness and significant unforeseen events. If such circumstances do occur, the participant will be expected to notify his/her Coach/Sponsor as soon as possible. All other absences will be unexcused. **In athletic activities, one unexcused absence will result in a one-game suspension. A second offense will result in a three-game suspension. A third offense will mean dismissal from the team.** In non-athletic activities, consequences will be at the discretion of the Director/Sponsor, but may include dismissal from the activity.

C. Participants are expected to be on time for practices and games. Tardiness will result in consequences to be determined by the Coach/Sponsor.

D. Participants and parents should understand that absences and lateness, even if excused, may affect the participant's role in the activity (e.g., playing time in sports).

E. Participants in athletic activities will abide by the "athletic attire" section of the dress code as written in the Family Handbook during practice unless otherwise instructed by the Coach. No student will be allowed to participate in practices or games if he/she is not dressed appropriately.

F. **Any possession or use by a participant of illegal drugs, alcohol, or tobacco, even if he/she is of legal age, is forbidden at all times, on campus or off, during school activities or not.** A first violation of this rule will result in suspension from all extracurricular activities (including practices) for

ten weeks. A first-time offender who confesses rather than being caught will be suspended for two weeks. A second offense will be punished by suspension from all extracurricular activities for the remainder of the school year. James Madison Prep reserves the right to test participants for drugs and/or alcohol without notice.

G. Students will be allowed to take part in more than one activity or sport simultaneously. Schedule arrangements will be made by the participant and his/her Coaches/Sponsors. Please note that playing time may be reduced due to loss of practice time when participating in multiple sports.

H. ***Once committed to a team, a student shall not quit.*** Exceptions shall be made in extenuating circumstances.

I. **In the event that individual awards are given for athletics, the decision of the coaches is final, and complaints should not be made to the coaches or the Athletic Director.**

## V. Conduct of Coaches/Sponsors

A. Coaches/Sponsors, whether paid or volunteer, are considered employees of James Madison Prep and will be expected to live by the Code of Conduct. Failure to do so will be punishable by disciplinary action. They are representing James Madison Prep, and should serve as an example for others.

B. Coaches/Sponsors will abide by and enforce all school and league policies and rules as outlined in this handbook, the Family Handbook, the Charter Athletic Association rules, and the rules for each sport or activity.

C. Coaches/Sponsors will attend and be on time for every practice and game and all other team functions, unless unforeseen circumstances occur. If such circumstances do prevent attendance or cause tardiness, the coach/sponsor shall notify the Athletic Director or Principal as appropriate, as soon as possible.

D. Coaches/Sponsors will dress appropriately for practices and professionally for games/performances.

E. Coaches/Sponsors will not use alcohol or tobacco in the presence of participants or any other students. Coaches/Sponsors will not use illegal drugs at any time. Any violation of this policy may be punishable by suspension or dismissal.

F. Coaches/Sponsors will attend the Charter Athletic Association meeting for coaches prior to each athletic season.

## VI. Conduct of Fans

A. Parents and all other spectators should remember that the focus at games and performances should be on the participants. Fans are there to encourage and support. James Madison Prep parents should live by the Code of Conduct.

B. Parents and other spectators will not use profanity, threaten violence, or in any way disrupt a game, performance, or practice. Those who do will be asked to leave the premises, and may be banned from future school events.

C. **Parents and other spectators will not enter the playing area, nor shall they enter the team's "bench" area. Parents should obtain a coach's permission if they wish to attend a team practice.**

D. If a parent wishes to discuss a matter with a coach, he or she should schedule a meeting with the coach. Practices, games, and events are not appropriate times to discuss matters regarding the team or participants. Parents who do not respect the practice or game time will be asked to leave and may be banned from attending future practices or events.

E. Alcohol is not permitted at any James Madison Prep event.

## VII. Travel

A. Participants will sometimes be required to travel for games or performances. If there are not enough parental volunteers, licensed student drivers will be allowed to drive to games or performances.

B. All participants must have on file at James Madison Prep a travel consent form signed by a parent or legal guardian. No participant will be allowed to travel until the form has been submitted to the Coach/Sponsor. **A phone call giving permission is not an acceptable substitute.**

C. Parents are expected to arrange rides home for students who do not drive themselves. James Madison Prep faculty and staff will not give students rides home. Extracurricular participants will be returned to school after games or other events, and a phone will be made available to them. Parents will need to pick their students up within 15 minutes of a team's arrival back at the school.

## VIII. Scheduling

A. All games/performances will be scheduled by the Athletic Director or Principal as appropriate. Practices will be scheduled by the Coach/Sponsor for each activity, under the supervision of the Athletic Director and Principal, with no more than 5 days of practice/games per week.

B. Schedules will be distributed to participants as soon as they become available. Changes to these schedules will be posted when they occur. The responsibility for notifying parents lies with the participants.

C. While the coaches will do their best to follow the team schedule, times and dates for practices and games/performances may change on a day to day basis. **It is the responsibility of the student to notify his or her parent when any changes should occur.**

C. Times and places for postseason tournament games often cannot be set until the end of the regular season. Participants and parents should be prepared to have a flexible schedule for tournaments.

## IX. Parental Involvement

Parental involvement is crucial to the success of extracurricular activities. The Booster Club has the potential to greatly assist the programs of J.M.P.S., but can only do so with sufficient parental volunteers. Parents are encouraged to join the Booster Club and help out as often as possible.

## X. Roles of Participants

A. At the varsity level in sports, every student who meets the requirements, regardless of ability, will be a member of the team. However, playing time at the varsity level will be based on ability, and determined by the judgment of the Head Coach. Some participants may not play in some or all games.

B. On game days teams must be dressed similarly (all dressed above the dress code or in team uniform) or be in dress code. **Jerseys must be tucked in**, and pants must be in line with the standard JMPS dress code.

## XI. Fees

A. **For the 2010-2011 school year, James Madison Preparatory School will not host any school sponsored fundraisers for athletics.**

B. Every participant must provide the program with a fee for each activity in which he/she participates. **The fee is \$150 for football, volleyball, cheer, basketball, baseball, softball, drum line, drama, and soccer, \$100 for cross country and track, and \$75 for Ultimate.** Any student who has not paid the designated amount by the due date will be suspended from participation in **any** extracurricular activities until the sum is paid.

C. Fees for all extracurricular activities will be incurred after 2 weeks of participation of each activity. Any student who leaves a team or becomes ineligible after the two week mark will still be required to pay the money for that activity. Failure to do so will result in suspension of participation from all extracurricular activities until the sum is paid.

D. The Arizona Tax Credit, which is currently \$200 for singles or \$400 for married couples (2010), can be applied to participation fees **as long as it is designated as a tax credit donation at the time the fee is paid**. Please refer to the *J.M.P.S. Guide to Giving* for any questions regarding donations. Please use the *2010 Fees and Donations Form*, attached at the end of this handbook, for any gifts or tax credits.

## **XII. Equipment**

A. All uniforms will be issued at the beginning of the season by the Athletic Director. Students will be responsible to return uniforms at the end of the season on the dates stated by the Athletic Director.

**i. Any uniform turned in after the due date will result in a \$20 late fee and suspension from all extracurricular activities until the fee is paid and the uniform is turned in.**

**ii. Any uniforms that are lost or damaged beyond reasonable wear and tear need to be paid for before any further participation in extracurricular activities.**

B. All equipment shall be issued and collected by the coach or sponsor.

C. All equipment, uniforms, and other items necessary for any extracurricular events must be stored in a designated location during the school day.

D. Any school or extracurricular items belonging to the students must be stored in the coach's/sponsor's classroom during practice. Sidewalks and other common areas are not acceptable storage places for books, backpacks, lunches, or other personal items. Any items not stored in the coach's/sponsor's classroom will be confiscated by staff members.

## **XIII. Lettering**

Lettering criteria will be determined by the coach/sponsor and submitted to the Athletic Director/Principal. Criteria for lettering will be available upon request.

This handbook will stand as policy at James Madison Prep until such time as the administration may choose to alter it. You will be notified of any such change. Thank you for your participation in and support of James Madison Prep Extracurricular Activities. These programs are offered, as we operate the school, for the sake of the students. The students' best interest will always be J.M.P.S.'s motivation.

No student shall represent his/her school in interscholastic athletics until there is on file with the Athletic Director a statement signed by his/her parent or legal guardian and a signed physical certifying that he/she has passed an adequate physical examination within the past year, that in the opinion of the examining physician, physician's assistant, or nurse practitioner, he/she is physically fit to participate in high school athletics, and that he/she has the consent of his/her parents or legal guardian to participate.

**NOTE:** It is strongly recommended that individuals participating in athletic events have current tetanus boosters. Tetanus boosters are recommended every 10 years throughout life. Boosters are recommended at the time of injury if more than five years have elapsed since the last booster.

If significant intervening illnesses and/or injuries have occurred, a more complete physical examination should be conducted. The physical examination form must be signed by a practicing physician, physician's assistant, or a nurse practitioner.

If a student athlete has been injured in practice and/or competition, the nature of which required medical attention, the student athlete should not be permitted to return to practice and/or competition until he/she has received a release from a physician.
