

JMPS Middle School Dress Code 2017-2018

Dress Code

All students are required to adhere to the JMPS Dress Code when on the school campus. This does not just include the hours between 8:00 am and 3:15 pm. Unless given permission to do otherwise by administration, faculty, or staff personnel, students must always be in Dress Code when on campus. Students who violate the Dress Code are subject to disciplinary action, including suspension and expulsion for repeat offenses.

Schools with an enforced dress code tend to be places that are more serious about learning, with students more focused on their schoolwork. The tone at these schools is more businesslike than at schools where students wear whatever they want. This atmosphere promotes better discipline and attendance, which lead to higher achievement.

The JMPS Dress Code is designed with modesty, simplicity, safety, efficiency, and comfort in mind. The Dress Code applies to students on campus before, during, and after school.

- Students are not to change clothes on campus unless given permission to do so by a staff member.
- The Dress Code also applies to JMPS students attending school-sponsored events off-campus unless otherwise indicated by administration.
- Guests of students are also to be in Dress Code.
- Students who are unsure whether a particular outfit or article of clothing falls inside the Dress Code should bring the clothing in to Mr. Grant (boys) or Mrs. Caves (girls) for pre-approval.
- The Dress Code for specific, school-sponsored activities will be announced in a timely manner prior to the activity, and students who are out of Dress Code for such events will not be allowed to participate. **In the event that there is no specific announcement regarding an event, it is best to follow the regular school Dress Code. No announcement does NOT mean NO DRESS CODE!**
- Students who are out of Dress Code for off-campus or after-school events will be subject to on-campus consequences.
- The specifics of the Dress Code for these school-sponsored activities will be appropriate for the activity and will reflect the spirit of the JMPS dress code: modesty and harmony with the Code of Conduct. (Please see the section on appropriate dress at school sporting events.)
- The Dress Code designees reserve the right to prohibit any fads that may arise that are not addressed in the Dress Code.

All students are required to adhere to the JMPS Dress Code when attending school. Students who violate the Dress Code are subject to disciplinary action, including suspension and expulsion for repeat offenses. Students who violate the Dress Code repeatedly demonstrate disrespect for the school and for their peers who follow the Dress Code.

DRESS CODE ENFORCEMENT PROCEDURE

Students who come to school **or are on-campus** out of Dress Code will be served a Dress Code ticket. This may occur at any time during the day, **including before and after school, and at extracurricular**

JMPS Middle School Dress Code 2017-2018

events. Students who receive a dress code ticket may be given a suitable replacement article of clothing to wear for the day. If a student refuses to wear replacement clothes, or there are no suitable replacement clothes available, the student's parent may be called to come and drop off appropriate clothing or to pick up the student so that he/she can go home to change into appropriate clothing. The student may be placed in in-school suspension until his/her parent arrives.

Each time a student is served a Dress Code ticket, he/she may be required to complete a sentence copying assignment. Students who are served Dress Code tickets may also be assigned community service tasks and/or supervised lunch.

Students who repeatedly violate the Dress Code (more than three tickets in a trimester for any dress code violation) will be placed on the discipline steps per the school's discipline policy.

Because of issues with students 'pushing the envelope' on the dress code in the past year, PLEASE BE ADVISED THAT THERE WILL BE A STRONG RE-FOCUS ON ENFORCEMENT OF THE DRESS CODE FOR SCHOOL YEAR 2017-2018.

Appropriate Dress for Formal and Semi-formal occasions

Girls and Boys

At certain times during the school year, students gather in social settings and for school functions at which formal or semi-formal dress is most appropriate. Because JMPS students are representing themselves, their families, and their school, it is vital that the best examples of dress and decorum be demonstrated. Examples of such gatherings include prom, athletic or arts banquets, concerts, field trips to the theater or museums, or the homecoming dance. Prior to such events a director will announce the appropriate dress, and students are required to comply. Those who do not dress appropriately will be turned away and may be subject to on-campus consequences.

In general:

"Formal" for young women includes a formal evening (or other) dress or formal pantsuit of appropriate modesty, including strapless and spaghetti strap dresses.

"Formal" for young men includes a tuxedo or a suit, dress shirt and tie, and polished dress shoes.

"Semi-formal" for young women includes a skirt or casual dress of appropriate modesty, professional attire (blazer and slacks), and dress or casual professional shoes.

"Semi-formal" for young men includes slacks, oxford or other dress shirt and tie, a sport coat, and dress or casual professional shoes.
