Dear Patriot Families,

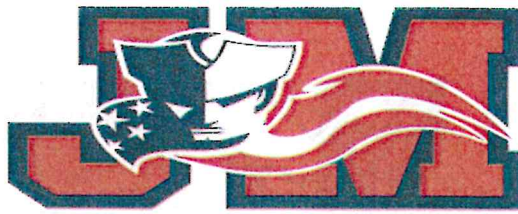

Due to rising costs of field and gym rentals, equipment needs and other factors, we have had to raise our extracurricular fees for the 2017-2018 school year. The new fee sheet is on the other side.

We have also included a one time uniform charge. JMPS will order the uniform for the student and it is his/her uniform. The uniform will have the student's last name embroidered on the back. The student shall be responsible for the uniform for any subsequent season the student participates in that activity. In the event the student loses or damages the uniform or outgrows the uniform, he/she will not be able to participate until a new uniform is paid for by the student and received. In the event the uniform is damaged through no fault of the student (injury during game play), the school will replace the uniform. The uniform charges vary as JMPS will only charge the cost of the uniform.

Families are encouraged to pay these fees via the Arizona Tax Credit and encourage another member of their community to also give to JMPS via the Arizona Tax Credit. Contact the Business Operations Coordinator for details regarding the Arizona Tax Credit.

Please contact the Athletic Director, Business Operations Coordinator, or Director of Operations if you have any questions.

Thank you!
