

11th Grade Schedule of Live Meetings

During the Phase One of our school's reopening, all students will be working online. You must check-in with each Google Classroom on a daily basis. You will have assignments from each teacher every day of the week. Once a week, you will have a mandatory live session with each of your teachers. These live sessions will be held over Google Meet. The link for the meeting can be found in that teacher's Google Classroom. **This schedule shows all possible eleventh grade classes—not all eleventh graders are in the same classes in the same trimester. Please consult your individual course load to see which live classes you will be attending.**

Below you will find the schedule for tenth grade live meetings:

Class	Teacher	Day	Time
U.S. History	Mr. Sheaffer gsheaffer@jamesmadisonprep.net	Monday	1:00pm
