

# 12<sup>th</sup> Grade Schedule of Live Meetings

During the Phase One of our school's reopening, all students will be working online. You must check-in with each Google Classroom on a daily basis. You will have assignments from every teacher on every day of the week. Once a week, you will have a mandatory live session with each of your teachers. These live sessions will be held over Google Meet. The link for the meeting can be found in that teacher's Google Classroom. **This schedule shows all possible twelfth grade classes—not all seniors graders are in the same classes in the same trimester. You will be making a schedule with Mr. Batchelder. More information on this will be covered in your grade level meeting on August 17<sup>th</sup>.**

Below you will find the schedule for twelfth grade live meetings:
