

**World Geography 9**  
**Final Study Guide**

Be prepared to label the following places on a blank map:  
(Approx. 147 points)

- All fifty United States
- North America
  - Canada
  - United States
  - Mexico
  - Cuba
  - Guatemala
  - Belize
  - El Salvador
  - Honduras
  - Nicaragua
  - Costa Rica
  - Panama
  - Jamaica
  - Dominican Republic
  - Haiti
  - Bahamas
- South America
  - Colombia
  - Venezuela
  - Ecuador
  - Bolivia
  - Brazil
  - Peru
  - Chile
  - Argentina
  - Paraguay
  - Uruguay
- Europe
  - Portugal
  - Spain
  - France
  - Germany
  - Belgium
  - Netherlands
  - Switzerland
  - Austria
  - Italy
  - United Kingdom
- Ireland
- Greece
- Poland
- Romania
- Ukraine
- Norway
- Sweden
- Finland
- Denmark
- Iceland
- Czech Republic
- Belarus
- Bulgaria
- Hungary
- Asia
  - Russia
  - Japan
  - China
  - India
  - Vietnam
  - North Korea
  - South Korea
  - Indonesia
  - Philippines
  - Malaysia
  - Pakistan
  - Afghanistan
  - Kazakhstan
  - Iran
  - Iraq
  - Kuwait
  - Saudi Arabia
  - Syria
  - Israel
  - Turkey
  - Georgia
  - Jordan
  - Nepal
  - Burma
  - Thailand
- Taiwan
- Mongolia
- Cambodia
- Laos
- Africa
  - Djibouti
  - Libya
  - Algeria
  - Morocco
  - Egypt
  - Sudan
  - Central African Republic
  - Nigeria
  - Ethiopia
  - South Africa
  - Madagascar
  - Mozambique
  - Democratic Republic of the Congo
  - Somalia
  - Uganda
  - Rwanda
  - Zimbabwe
  - Chad
  - Niger
  - Kenya
  - Equatorial Guinea
  - Botswana
  - Zambia
  - Tanzania
  - Namibia
  - Angola
- Australia
- New Zealand
- Papua New Guinea
- Greenland

Be prepared to match the following capitals to their countries:  
(Approx. 40 points)

- |                             |                            |                                                   |
|-----------------------------|----------------------------|---------------------------------------------------|
| 1. Washington, D.C., U.S.A. | 16. Athens, Greece         | 31. Bagdad, Iraq                                  |
| 2. Ottawa, Canada           | 17. Brussels, Belgium      | 32. Ankara, Turkey                                |
| 3. Mexico City, Mexico      | 18. Vienna, Austria        | 33. Canberra, Australia                           |
| 4. Havana, Cuba             | 19. Prague, Czech Republic | 34. Wellington, New Zealand                       |
| 5. Brasilia, Brazil         | 20. Kiev, Ukraine          | 35. Cairo, Egypt                                  |
| 6. Buenos Aires, Argentina  | 21. Moscow, Russia         | 36. Cape Town, South Africa                       |
| 7. Lima, Peru               | 22. Beijing, China         | 37. Nairobi, Kenya                                |
| 8. Santiago, Chile          | 23. New Delhi, India       | 38. Abuja, Nigeria                                |
| 9. Bogota, Colombia         | 24. Tokyo, Japan           | 39. Kinshasa, Democratic<br>Republic of the Congo |
| 10. Caracas, Venezuela      | 25. Seoul, South Korea     | 40. Addis Ababa, Ethiopia                         |
| 11. Madrid, Spain           | 26. Jakarta, Indonesia     |                                                   |
| 12. London, U.K.            | 27. Islamabad, Pakistan    |                                                   |
| 13. Paris, France           | 28. Singapore, Singapore   |                                                   |
| 14. Berlin, Germany         | 29. Hanoi, Vietnam         |                                                   |
| 15. Rome, Italy             | 30. Tehran, Iran           |                                                   |

Be prepared to list/label the following information:  
(Approx. 63 points)

- |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
